On 091396, at approximately 0217 hours, I observed a 1996 Chevy Corsica drive by in a careless manner. We were in the beginning of the 200 block of Worth Ave. and the Corsica was heading southbound on South County Road. As the vehicle rounded the curve between Worth Ave. and Hammon Ave., I heard the vehicles tires screech in a reckless manner. Very shortly thereafter, I heard the sound of a vehicle crash. When I came around the corner of Hammon Ave. on South County Road, I noticed a white Corsica with four occupants on the west side of South County Road across from Gulfstream Road. All occupants appeared to be safe and uninjured. The vehicles driver was identified as Brooke Jaye Mueller, w/f, 081977. The front passenger was identified as Randall Ives Emmett, w/m, 032571. The passenger behind the driver was identified as Brandon Alexander Grimes, w/m, 120472, and the second passenger was identified as Vanessa Jeanne Grout, w/f, 031679. The vehicle appeared to have struck a road sign. The sign was knocked down and minor damage was done to the vehicle. Ofc. Taylor found the damaged sign. When we made contact with the four individuals, Brandon A. Grimes was standing next to the vehicle and stated they were fine and were on their way home. I asked the driver to step out of the vehicle. When Mueller stepped out of the vehicle, she nearly fell down. She used the vehicle door as a brace to remain standing. She had some slurred speech and appeared to be confused. She stated that she had not hit anything and that she had just pulled over on the side of the road. She had no recognition of hitting any sign. She stated that the front passenger, Grimes, had grabbed the steering wheel and pulled it. Grimes denies pulling the steering wheel, but stated he told Mueller to watch where she was driving. I then asked Mueller if she would submit to a field sobriety exam. She consented. She failed the Horizontal Gaze Nystagmus Test with nystagmus at maximum deviation in left and right eye. Her eyes did not follow my pen tip smoothly either., On the Walk and Turn Test, she did not stop at 8 steps. She continued until she reached 22 steps out and took 26 steps back in. Her balance was wobbly and used her arms to remain upright, but did walk a straight line. Her fingers could not touch her nose on the Finter-To-Nose Test. Her arm movement was not a straight fluid movement to her nose and back down. Her arms went out and then towards her nose. Her foot touched the ground 3 times during the One Leg Stand Test. She did not hop, but shuffled her foot across the ground from left to right. The only test that was completed in a passing manner was the Romberg Alphabet. Mueller was then placed under arrest for DUI. Through the investigation of the incident it was found that the other w/f, Grout, had in her possession a counterfeit DL. She was also in possession of more than one DL. She was placed under arrest also. See arrest report from Ofc. Morine. The vehicle was a rental car from Alamo Rental. Alamo advised that they wanted the car towed. Kauffs removed the car from the scene. Mueller was taken to Palm Beach County Jail. Upon the results of her Breathalyzer were .052 and .050. Mueller stated that in the beginning that she was taking no medications and only had 1 1/2 glasses of wine to drink. Later in the process, Mueller stated that she had taken some Vicadin. She also stated that she had used marijuana and cocaine before on experimental use. She also stated that she was worried that some Rohypnol had been placed in her drink. Based on the above degree of impairment, we had probable cause to request urine sample. While in custody at County Jail, Mueller displayed several mood swings. Her mood swings were not long in duration. The mood swings ranged from happy and pleasant to sad. Several moments she started to cry, then was very pleasant, talkative and cooperative. See accident report by Ofc. Taylor for accident crash report. See report by Ofc. Morine in reference arrest for fraud of DL. Citation numbers were issued. Ofc. Taylor escorted the two white males to the residence of Mueller.
